

World Top 200 Universities

INTERNATIONAL FOUNDATION YEAR

For ambitious students who want to study at a highly ranked world-class university.

Are you looking to study at some of the best universities in the world?

Our World Top 200 Universities Pathway provides Business and Management modules for students aiming for top-ranked universities worldwide. This is an intensive qualification designed to support students academic development and progression.

Featuring additional hours of tuition and support programme, you will receive expert advice in critical thinking, essay writing and advanced language usage. You will also have access to university taster days and enhanced university application support.

Subject to successful completion of the International Foundation Year, attending all required classes, all support tutorials, and following all application advice. If a student fails to gain entry to a QS2022 Global Top 200 university, we will contribute a £3000 scholarship to their progression on to another NCUK university
